Pumpkin Theatre is going "green" on ticketing! To help keep prices down and to support the "green" effort, Pumpkin Theatre will no longer mail hard-copy tickets. We will reserve your date, send you a note to place on the fridge and even send you an email reminder the week before the show. In order to keep ticket prices low, Pumpkin Theatre cannot offer refunds on ticket purchases or missed performances. However, we will be delighted to exchange your tickets for another performance, subject to availability. Exchanges must be made during box office hours before a specific performance and for the same production. Everyone must have a ticket. No group exchanges. Pumpkin Theatre is accessible to patrons with disabilities. **All sales are final.**

Due to the nature of theatrical bookings, attractions and dates are subject to change without notice.
